**Incident Periods**

Loans files containing appraisal reports with an effective date prior to the “incident start date” are ineligible for funding without an accompanying property inspection product date after the “incident end date.”

For originations on or before the “incident end date,” Appraisal Waivers returned on the AUS Cert (e.g. PIW or ACE) may be used provided the Appraisal Waiver language is present on the final AUS cert, and the accompanying property inspection product dated after the “incident end date” is obtained.

- For originations after the “incident end date,” an Appraisal Waiver may be used provided it meets the same requirements notwithstanding the requirement to obtain the accompanying property inspection product (i.e. an accompanying property inspection is not required).
