Impac recognizes COVID-19 has impacted all of our daily lives and has far-reaching personal and economic consequences. Even in this present-day environment, it's important to ensure all borrowers will be able to maintain successful homeownership; therefore, the following attestation is requested prior to the closing of your home loan.

By signing below, I/we certify the following:

1. I/we are not experiencing a financial hardship due, directly or indirectly, to the COVID-19 emergency;
2. The income, including the sources and amounts of all employment income listed on my/our loan application and income documentation submitted for qualification purposes remains unchanged and is not adversely affected by COVID-19;
3. I/we have not received any notification of furlough, termination or loss of employment and I/we are unaware of any future changes to my/our employment and/or income negatively impacting my/our ability to repay my/our home loan as of the closing date above;
4. If using income from self-employment sources to qualify, my/our business(es) is still open and operational.
5. I/we are not currently requesting, or are awaiting pending approval of, a forbearance/mortgage relief plan (verbally and/or in writing);
6. I/we are not currently in a forbearance/mortgage relief plan.
